We are a group of kids from ages 10-13 from Fun in the Sun. We made a blog of our field trips and stuff we learn about the environment. We have collected a ton of info about problems in our community.

PLEASE VISIT OUR BLOG AND COMMENT. THANK YOU.

We are a group of kids from ages 10-13 at Fun in the Sun, a summer learning program.

We are doing a service learning project about the environment and disaster relief.

There is a lot more you can see on our website.

We will show you about what we do at Fun in the Sun and the field trips we go to.
